Forget East Devon – it's the 'Heart of Lyme Bay'

A VISION to create the 'Heart of Lyme Bay' in a bid to attract more tourists to the area has been outlined by the managing director of top attraction Pecorama.

Mr Michael Pritchard fears that many tourists give the region a miss when travelling down the A303, A30 or the M5 for their West Country holidays – and local businesses are paying the price.

"I believe this part of Devon is not getting their share of visitors, who are put off by reasons such as

by Kevin Fahey

the derogatory terminology of the name East Devon," said Mr Pritchard.

"Who wants to go East! As a few of us are already doing, I urge you all to call ourselves as being in the Heart Of Lyme Bay and do whatever you can to entice those holiday makers to this lovely area and enjoy what is on offer."

Mr Pritchard, who was speaking at the official opening of the new indoor Play Station facility in Beer, revealed that Pecorama had already lined up two other major tourist attractions in the area to promote the concept with Seaton Tramway and the Donkey Sanctuary also supporting his initiative.

He clearly believes that this part of Devon has as much, if not more, to offer than the other parts of the

county and beyond but more needs to be done to attract tourists to stop and see it all for themselves.

"We have a beautiful coastline, lots of quality attractions like Seaton Tramway, the Donkey Sanctuary and the Wetlands in Seaton," added Mr Pritchard.

"We have good accommodation, although I believe we need more for visitors to stay at. We have good places to eat.

"Sadly, in my opinion, many people dismiss this area when considering holidays in the West Country. They start travelling on the A303, A30 or M5 and keep going until they fall off at the other end.

"This part of the country is our best kept secret and while it is nice in a way that we are not inundated with tourists I don't think we get our fair share.

"Tourists by-pass us. I would love to see a big sign on the A303 where you leave for Axminster pointing the way to the Heart of Lyme Bay."

Club chairman apologies to mayor

A LEADING figure in the Seaton and District Visually Impaired Club has apologised to the Mayor of Seaton, Councillor Gaynor Sedgwick, for calling for her resignation.

Following a row over Seaton Town Council's alleged failure to deal with a list of matters regarding disabilities in the town, compiled by blind resident John Barrington-Rowell, Mr Terry Grimsley, chairman of the Visually Impaired Club, attended the September meeting and was one of a number of members of the public who called on the mayor to resign.

It was also alleged that the mayor, who chairs the council, told Mr Barrington-Rowell, to "shut up and sit down" at a previous meeting.

Councillor Sedgwick told the September meeting that there was a "dispute" over what she said to Mr Barrington-Rowell but she did not intend to offend him and apologised.

During the public forum session at the September meeting, Mr Grimsley said Councillor Sedgwick's attitude

was "distasteful" and that her "attitude and demeanour fell far short of standards expected of public office".

But Mr Grimsley attended the October meeting and spoke again during the public forum. Addressing his comments directly to the mayor, he said: "At the last meeting I suggested you should consider resigning. I would like to rescind that and apologise for what I said."

Mr Grimsley went on to say that he had met with Councillor Sedgwick and the vice-chairman, Councillor Sharon Bruce, and realised he was not in full possession of the facts over the list of disability issues.

He now realised that not all the issues were the responsibility of Seaton Town Council as some were the responsibility of East Devon District Council and Devon County Council.

Mr Grimsley also congratulated the town council on the part they had played in the provision of the planter in Harbour Road which had greatly

improved the risk to the disabled of an overhanging window

He also congratulated town clerk Mike Neale for getting to grips with a number of the issues and whilst he appreciated he was now leaving the council's employ, he was confident he had left a good legacy for the new incumbent.

Chairman of the Seaton & District Visually Impaired Club, Terry Grimsley, has apologised to Mayor Gaynor Sedgwick for comments he made at September's council meeting

Gaffer salvages point for Tigers

A SCORCHING free-kick from player-manager Gary
Macauley eight minutes from time earned **Axmin-
ster Town** a useful South-west Peninsula League di-
vision One (EWast) point against Totnes &
Dartington at Colyton Grammar School on Saturday.
In a game of few chances the visitors took the lead
in the 20th minute. Ax went close to equalising be-
fore the break when Ben Turner headed against the
post from a Jon Hurford corner.

But With time running out a foul on striker Adam
Downes allowed Macauley to step up and drive his
free-kick into the top-corner from 25 yards.

The Tigers have no fixture on Saturday which will
allow Gary Knight (hamstring), Leigh Beer (ankle)
and Stuart Broom (groin) to recover from injuries.

SIDMOUTH Town appeared to be on course for a su-
perb victory over South-west Peninsula League di-
vision One (East) table toppers Exwick Villa on
Saturday.

Goals from Tony Cox and Andy Isaacs following on
from a magnificent penalty save by Luke Ashford
saw the Vikings 2-0 ahead after 25 minutes.

It could have got even better but the referee de-
cided not to award Sidmouth a penalty of their own
after Dan Norman had clearly been scythed down on
his way to goal.

But the hosts pulled a goal back before the break
and struck twice in a 10-minute second-half purple
patch to turn the game around.

They added a fourth late-on to clinch the win.

AXMINSTER

Town escapes storm havoc

AXMINSTER and district escaped serious damage overnight on Sunday as the South West was told to prepare for near hurricane conditions.

The pending storm was nicknamed "St Jude" (the patron saint of lost causes) by weather forecasters, with winds of up to 80 mph being predicted in the early hours on yesterday (Monday) morning.

Experts feared that the storm might be as serious as the one in 1987 which caused havoc throughout the country.

Whilst the winds were not as strong as expected, torrential rain throughout the night caused a number of isolated flooding scares in and around Axminster.

The winds were severe enough, however, to bring down several trees in the area with the roads blocked at Raymonds Hill and Yawl, necessitating buses to take a detour into Lyme Regis via Charmouth roundabout and Fernhill.

Also, there were no early morning trains through Axminster as British Rail suspended services until they had checked for debris and flooding on the line.

Before the storm set in the eastern carriageway of the Axminster by-pass was closed on Sunday afternoon after a multiple pile-up east of the Axminster turning.

Left without paying bill

POLICE and Axminster Chamber of Commerce have asked accommodation providers to be alert after a guest failed to pay for his stay.

The affected bed and breakfast establishment has not been identified, but Axminster police have issued a description of the guest.

The man checked in at about 9pm on Sunday, September 29th, asking to stay for three nights.

A chamber of commerce circular said: "Please be vigilant."

"The gentleman arrived late with a very plausible reasons for this, and a lot of local knowledge, explaining he usually stays at another B&B but that they (the owners) were on holiday."

"He backed this up with general chit-chat about the area. He arrived with no luggage, explaining it was in his car that had broken down. The owners of the B&B had doubts."

"It culminated in the gentleman attempting to borrow a coat the next morning and having the request of a cheque being cashed declined. He was due to stay three nights and they had made the decision they would not allow him to stay but, as they suspected, he did not return."

A real sweetheart, as you can see, Jacob would LOVE to get familiar with YOU this Halloween!!

From the editor's chair A night to remember

IT'S that time of year when our thoughts turn to those who made the supreme sacrifice in two world wars and subsequent conflicts to liberate the world from the forces of tyranny.

The Poppies are out again and soon it will be Remembrancetide.

I'm a huge admirer and supporter of the Royal British Legion and the Axminster branch is to be congratulated for raising a tidy sum at the Guildhall on Saturday by staging an evening with the Yeovilton Military Wives Choir and the HMS Heron Royal Navy Reserve Volunteer Band.

Tickets for this occasion sold out within days of being advertised and the Guildhall was packed for an evening of unashamed pomp and ceremony.

Following the success of the BBC programme, fronted by the charismatic Gareth Malone, there are now 80 military wives' choirs across the country which succeeds in bringing the spouses of military personnel, many of whom are serving overseas, together through singing.

Coupled with a very talented band, led by Colour Sergeant Sam Hairsine, a serving Royal Marine, it made for a hugely enjoyable evening.

Most of the organisation was carried out by town councillor and former mayor Mervyn

Symes and his partner Jackie, with help from the branch committee, and it has got the Axminster Poppy Appeal off to a brilliant start for this year.

And another concert is promised next year to commemorate the 100th anniversary of the commencement of World War One.

♦ **ANOTHER** military ceremony which impressed me recently was the honouring of those who served in the Royal Observer Corp in Seaton between 1940 and 1991 by naming the access road to Tesco in Harbour Road "Royal Observer Way".

The ceremony was organised by Seaton Town Council, with deputy chairman Sharon Bruce taking a leading role, and the honours carried out with great dignity by the Mayor, Gaynor Sedgwick, who delivered a touching speech paying tribute to those who served in the two Seaton Posts (on West Walk and then Seaton Down).

Former members of the Royal Observer Corp are rightly proud of their service throughout the Second World War and through to the end of the Cold War - and that pride was much in evidence at the Seaton ceremony.

COLYTON

On trial following fatal collision

A COLYTON man has pleaded not guilty to causing death by dangerous driving following a fatal collision on the A3052 earlier this year.

Care home owner Keith Mills, of Colcombe Wood, Colyton, is currently on trial at Exeter Crown Court after being charged with causing death by dangerous/inconsiderate driving and using a motor vehicle with insufficient tread following a crash on the A3052 in January, which killed Sidmouth rugby coach Richard Sawbridge, 68.

Mr Mills, 54, a former Royal Marines officer, had been driving his Audi R8 Coupe from Colyton to a dental appointment in Exmouth in poor conditions when the collision took place at Hangmans Stone, near Beer.

Father-of-three and retired Devon County Council education advisor, Mr Sawbridge, was travelling in the opposite direction, from Sidbury to his home in Seaton, when it was alleged Mr Mills' car veered into the wrong side of the road. He lost consciousness and died at the scene.

Mr Mills has denied the charges and said the collision was caused by aquaplaning. The prosecution has said he was driving too fast for the wet conditions and lost control after overtaking an elderly couple.

The trial was due to continue yesterday (Monday) at Exeter Crown Court.

HONITON

Boost for museum

ALLHALLOWS Museum has had a surge in visitors to its lace exhibition after last week's royal christening.

Prince George was christened wearing a replica of the robe made from Honiton lace worn by Victoria, Princess Royal, Queen Victoria's eldest daughter, in 1841, and the ceremony has sparked renewed interest in the town's long tradition.

Around 100 people have visited the museum since the christening, far more than staff would usually expect to attract.

Museum Administrator Margaret Lewis said: "There's been a lot more people coming in than usual. We were included in a piece on the news and people must have decided to come down and have a look for themselves. One lady came all the way from Hawaii."

SIDMOUTH

Boost for village pub campaign

VILLAGE pub campaigners have received a huge boost in the form of a government grant to help purchase the Red Lion Inn, Sidbury.

A campaign group formed in the village has been bidding to buy the pub, which has been threatened with closure by owners Punch Taverns.

The inn has successfully been listed as an Asset of Community Value, which means no one else can buy the pub until after March 10th.

In preparation for making an offer to buy the inn, the campaign group has been working on developing a viable business plan. And now the group has received a financial boost in the form of a government grant.

The campaigners can now progress to having the pub professionally surveyed and valued after receiving the pre-feasibility grant of £10,000 from the government funded Social Investment Board.

The grant, will allow the group to undertake pre-feasibility work in order to engage professional advisers to have the pub valued, obtain a full building condition survey, including undertaking technical due diligence, cost the work required to repair and upgrade the pub and register a limited company to purchase and own the pub.

Fred Burnett, chairman of Save The Red Lion Campaign, said: "Receiving this significant grant from the government's Social Investment Board comes just at the right time for the campaign. We have recently opened up a dialogue with the pub's owner, Punch Taverns, and work is progressing well on developing a business plan for a future Red Lion business."

"However, to complete this, the campaign needs to know what the pub is realistically worth, as opposed to what the owner wants for it, as well as how much money would need to be spent on repairing and upgrading the building."

"The campaign has received the maximum pre-feasibility grant that the Social Investment Board can award which I believe demonstrates the strength of the case that the campaign made for this sizeable financial support. We can now move our work up a gear or two."

Osteoporosis

fracture risk scans

Osteoporotic fractures are common in post-menopausal women and can cause pain, deformity and loss of independence. Hip fractures can prove fatal. Osteoporosis can be prevented if weak bones are detected early enough but scans for assessing risk of future osteoporotic fracture are not always readily available. However, you can now have a non-invasive scan for £22.

Seaton honours Royal Observer Corp members

By Philip Evans
philip@pemedial.co.uk

SEATON has honoured those who served in the Royal Observer Corp between 1940 and 1991, when the local Post was closed.

At an impressive ceremony outside Tesco, staged by Seaton Town Council, the Mayor, Councillor Gaynor Sedgwick, officially overveiled a plaque naming the access road to the supermarket "Royal Observer Way".

The ceremony was attended by members of the National Royal Observer Corps Association, former Seaton Post team members, representatives from the Royal British Legion and local civic dignitaries.

Standard bearers representing the Royal Observer Corps in Yeovil, Exeter, Winchester and Bristol were also present, as were the standard bearers from the Merchant Navy, Honiton ATC and the Royal British Legion. Chris Shire was then parade marshal.

County and district councillor Jim Knight was also present.

Tesco were represented by Roda Snell and Ian Dyer. The Royal Observer Corps operated hundreds of post throughout the United Kingdom during the Second World War to monitor enemy aircraft and continued through the Cold War whilst there was a threat of a nuclear attack.

After a welcome by Seaton Town Crier David Craner, the Mayor addressed the gathering, saying that Seaton Town Council was delighted to honour members of the Royal Observer Corp who served on Seaton Posts from 1940 to 1991.

She said the first Royal Observer Corp Post was on West Walk and the second on Seaton Down Hill, and they were delighted that some of the former Seaton team members were present at the ceremony, including Mrs Christine Trott, the wife of a former Chief Observer at Seaton.

Councillor Sedgwick thanked her deputy, Councillor Sharon Bruce, the leading force Irving Roberts, Jenny Roberts, the National Secretary of the Royal Observer Corps Association, and Lawrence Holmes, a member of the Exeter Group and a local historian, for organising the ceremony.

Councillor Sedgwick also asked the gathering to remember and give thanks for the life of Murray Whitcher, who

died recently, and had worked with them on the planning of the ceremony.

After officially naming the road "Royal Observer Way", Councillor Sedgwick concluded by stating: "Today is about thanking and honouring those who served on Seaton Posts and ensuring that the people of Seaton do not forget the commitment and contribution made by these men and women to protect this town and our country."

The plaque was dedicated by Mr Hilary Daniel, honorary chaplain and vice-president of the Royal Observer Corps Association, who gave a history of the Seaton Posts, referring to the members as playing a "small but vital part in liberating the world from the forces of tyranny and hatred".

After the ceremony and the serving of refreshments, a certificate of commendation from the Royal Observer Corp was presented to Seaton resident Irving Roberts who first put forward the idea of commemorating the Seaton Posts to the town council. Mr Roberts served in the Royal Observer Corp in Hertfordshire for 13 years.

Presentations were also made to the Mayor and Councillor Bruce.

Woman falls off cliff

A WOMAN was found badly injured at the foot of cliffs in Seaton on Sunday morning.

It is understood the woman fell from Cliff Field onto West Walk on Saturday morning.

Coastguards and paramedics were called to the scene and the woman was taken by air ambulance to Derriford Hospital in Plymouth where her condition was said to be "critical".

A police spokesman said investigations were ongoing but there appeared to be no suspicious circumstances.

Centres are playing vital part in local life

EAST DEVON'S 14 community centres are in fine fettle – and some could soon become community hubs.

That's the news following a year-long review of the centres arranged by the Tenant Scrutiny Panel and follow-up work to make suggested improvements.

The clean bill of health came after an intensive study of all 14 centres – one in Axminster, one in Broadclyst, six in Exmouth, one in Honiton, one in Lympstone, one in Ottery, two in Sidmouth and one in Woodbury.

A project developed through the Tenant Scrutiny Panel looked at EDDC's 14 Housing Community Centres and after a year of investigation developed an action plan showing what they wanted to see done to make improvements.

It included the mundane but important work of making sure they all met health and safety and fire safety standards, and had the right procedures in place; ensuring consistency in what facilities each centre offers and that details of what is available in each centre are known centrally; working with long-standing users of the centres to encourage de-cluttering; and reorganising how the centres are managed and booked.

After nearly a year of this work, they are now being officially re-launched as affordable, good quality centres that are available for bookings. It is hoped that in time some may become local community hubs.

Councillor Jill Elson, EDDC's Cabinet member for Sustainable Homes and Communities, said: "With the idea of the Big Society very current, but also in a time of funding cuts, service reductions and closures of local businesses – sometimes including local pubs – EDDC's

Community Development Service are hoping these centres will grow in stature and reputation.

"The aim is to provide opportunities for people to come together and get involved in activities that appeal to them, and develop connections in the way that people do when they are all getting stuck into something they enjoy.

"One of our best centres, where this is already happening in the way we hope it will happen elsewhere, is Millwey Community Centre, which every week hosts the Brownies, Tai Chi sessions for older people, Monday Monkeys, Children's Centres Stay and Play, the Crusaders, an Art Group and a Lunch Club.

Since the end of last year the users have come together as a 'User Group' to find solutions to issues that affect them all".

One of the benefits the Community Development Service are now offering is advice and support sourcing funding for individuals or groups who want to start up a community initiative in one of the Community Centres, or those who need help to keep existing groups running and would be happy to move their group into one of our centres.

Councillor Elson added: "If you have an idea for a community initiative that you would like advice and support in setting up – or you would just like to explore the possibility of doing this – please get in touch".

Working together and helping families

THE THEME of this year's annual Working Together conference organised by East Devon District Council was 'Helping Families and Communities'.

Members of East Devon voluntary organisations and community groups were invited along to Knowle in Sidmouth for EDDC's free event called "Working Together for the Future of East Devon".

Guest speaker at the event was East Devon MP Hugo Swire, Minister of State at the Foreign and Commonwealth Office.

Over 100 representatives of voluntary organisations, community groups and town and parish councils attended the gathering, which was aimed at bringing local agencies together to improve communication between the voluntary and statutory sectors. There was also an excellent response to an appeal for contributions to local food banks based in Axminster, Seaton and the Sid Valley.

During the day, attendees found out more about significant family, health and well-being reforms that are happening nationwide, with particular reference to East Devon.

The presentations and speakers included:

◆ How an East Devon organisation already helps families and communities - Helen Burgess at

Exmouth Open Door Centre

◆ Targeted Families - Phillippa Court from Devon County Council

◆ Helping families and communities linked to Council Housing - EDDC Community Development Workers Polly Anderson, Victoria Robinson and Alex Gibson

◆ Health and Wellbeing Changes - Councillor Andrea Davis and Dr Virginia Pearson from Devon County Council

◆ Knowing East Devon's Communities - Richard Cohen, EDDC Deputy Chief Executive

◆ The new Devon Active Volunteering Experience - Sandra Chapman, EDVSA

◆ Neighbourhood Health Watch - Dr Peter Aitken

As part of the event, representatives could enter a competition to win up to £250 towards their organisation's good work. They were all invited to tell EDDC what one thing they do well to help East Devon's families and communities. The entries were judged and prizes were distributed as follows:

First prize of £250 went to Sid Valley Memory Cafe. They are volunteers who give free help to people with various forms and stages of memory loss. They offer support to the carers and families of those affected. They provide stimulation to the cared

MP Hugo Swire speaking at the event, watched by Councillor Jill Elson

for with music, games, walks and refreshments.

Second prize of £150 went to Home-start Exeter and East Devon. They have over 70 dedicated volunteers who support families with young children in their own homes. They tailor support to what the families say they need.

Third prize of £50 went to Exmouth and District Talking Newspaper. Since 1981 they have been sending weekly recordings of local news to people in the area who have little or no sight. They have 60 volunteers working in teams.

EDDC Cabinet Member for Sustainable Homes and Communities, Councillor Jill Elson, chaired the conference. She

said: "This is an annual event that is a privilege to organise. It has been running for three years and will hopefully run again in 2014. Every year it just keeps on getting better. It's very heartening to see so many community and voluntary groups represented at this event, coming together and agreeing to work more closely with each other for the benefit of our community.

"The speakers were all very interesting and there was a very positive atmosphere. Feedback from the event showed that the delegates would like more time to network with the other groups, which is something we will build into next year's agenda".

How do Rear Parking Sensors work?

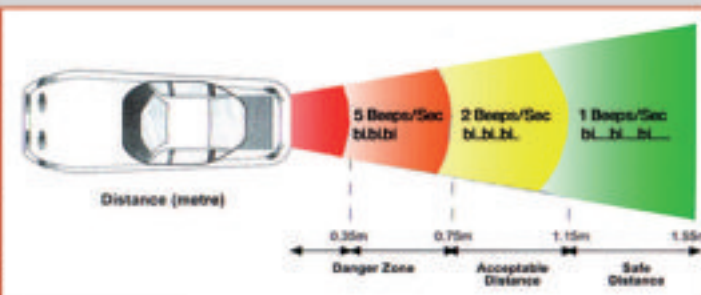

The rear parking system is automatically activated when you engage reverse gear.

Sensors are fitted into the rear bumper of the vehicle, which send and receive ultrasonic radio waves that bounce off

obstacles and alert you to their presence.

There is an internal audio buzzer that gradually increases in frequency as you approach the object. A continuous tone denotes that you are approximately 0.35m (1ft) from the obstacle.

We can also fit rear parking sensors to most vans. Call us with your vehicle details. We have a range of colours please ask for more details.

Trinity girls collect for cancer charity

PINK LADIES: Members of staff at the Trinity House department store in Axminster dressed in pink on Friday to raise money for breast cancer research.

The team baked cakes, held a raffle and staged a treasure trail, as well as

decorating the inside of the store with pink balloons and banners in aid of the campaign.

The store was taking part in the Breast Cancer Campaign's nationwide 'Wear It Pink' fundraiser.

New class for pregnant women

AXMINSTER-based charity HALFF (Health and Local Food for Families) have secured a grant from Awards for All for a totally new course for pregnant women.

Starting on Thursday, November 7th, there will be a series of 4 evening sessions available for pregnant women and their partners. The class will cover nutrition for mums-to-be and her unborn child, cook-

ing demos, tasty healthy recipes, tips for breast feeding and weaning and more.

The class will take place at the No HALFF Measures shop in South Street, Axminster.

To guarantee a place it is recommended you book via Sandra@halff.org.uk or call 01297 631782.

A ZUMBATHON in Axminster raised £300 for the international Party in Pink charity campaign against breast cancer.

More than 20 ladies turned up at Axminster Leisure Centre to take part in the event on Friday October 11th.

The zumbathon was organised by Axminster resident Jade Tregale.

In addition, a coffee morning in the centre earlier that day raised £85 for Macmillan Cancer Support charity.

The photo shows most of the participants before their workout.

Support from the Masons

FREEMASONS in Axminster have donated a total of £1,250 to worthy causes. Lodge Virtue and Honor 494 Axminster held its

annual church service in The Minster on Sunday, October 13th, followed by a function in Masonic Hall.

ALL SMILES: Nick Hillyard (ARC), Worshipful Master Gary Sims, Aynsley Jones (Axminster Health and Wellbeing Centre), lodge secretary Jim Rowe, Tiggy Parry (HALFF) and Leonard Bull (Macmillan Cancer Support)

Representatives from Axminster Health and Wellbeing Centre, Health and Local Food for Families (HALFF), ARC, Juvenile Diabetes Research Foundation and Macmillan Cancer Support were presented with a £250 cheque each.

The cheques were presented by Worshipful Master Gary Sims and the money had been raised during a string of fundraising activities under the Master of the Lodge for 2012, Matthew Tompkins.

PUPILS from Axminster Community Primary School were given an early opportunity to practise for Christmas when they donned festive hats and waved to an imaginary Father Christmas last Friday.

Axminster Rotary Club placed its huge advertising sign at the school to announce that Trinity Square will again be the location for the ever popular Festive Fri-

day, held between 5.30pm and 8pm on Friday 6th December 2013.

Mince pies, mulled wine, hot chestnuts, carols, music, Punch and Judy and entertainment will be on tap as usual, and Father Christmas is expected to "sleigh in" during the evening, talk to the children and listen to their secret present wishes!

Cash boost for skatepark extension

DETAILED extension plans for the skatepark at Cloakham Lawn Sports Centre will be revealed at a public exhibition in February next year.

As previously reported, the extension will be in memory of Axminster youngster Tom Chubb, who died in a car crash on the A358 at Musbury at the age of 18 on October 31st last year.

Tom spent a lot of time at the

skatepark and Cloakham Skatepark Management Group set up Axminster Skatepark Fund shortly after his death.

The public exhibition will be held in Axminster Guildhall on February 7th, and more information will be released nearer the time.

In the meantime, efforts to raise the £160,000 required are ongoing.

The fund was boosted when

opticians Bennett & Rogers handed over £120 on Thursday, October 17th, money raised through various initiatives over two days in September.

Anyone wishing to stage a fundraiser or make a donation can visit the Axminster Skatepark Fund Facebook page or contact Sharon Harris or Lloyd Bennett at Bennett & Rogers.

Puffins get out and about

■ PUFFINS at Beer Pre-School enjoyed getting out and about in their new waterproofs. Annie Thurgood, Puffins office manager, said: "We like to explore the environment as much as we can – Peco woods, the school grounds and Beer village. If you see us in our new suits, give us a wave."

The Puffins would like to thank Beer Bags, the Grizzly committee and Axminster's Mole Avon for their support purchasing the suits.

Crime down Busy time for Seaton TIC

CRIME figures in Seaton in September were the lowest since 2004, chairman and mayor Gaynor Sedgwick told the October meeting of Seaton Town Council.

"The figures are very impressive," she said.

Councillor Tony Woodman said that following his comments about problems in the Marine Crescent area at the last meeting there had been a far greater police presence in the area.

"I hope this is not a one off and that it goes back to what it was," he said.

"There's been a big improvement."

SEATON Tourist Information Centre dealt with 1,660 visitors in September, town councillors have been told.

The figures were reported to the October meeting of Seaton Town Council by the chairman and mayor, Councillor Gaynor Sedgwick.

Councillor Sedgwick described the figures as "quite remarkable" and thanked the TIC for their hard work.

Panto through the looking glass

ACT TWO 2011 (Axmouth Childrens Theatre) are presenting their new production 'Alice Through The Looking Glass' at Axmouth Village Hall on Friday 1st and Saturday, November 2nd.

The cast, aged between nine and 17, have been working hard over the past few weeks and despite suffering a major setback a

few weeks ago they have rallied round and all is in place for the production.

Written by Malcolm Henty and Beth Wood, the story follows Alice into a Wonderland where the chessboard is ruled by an evil Red Queen who has threatened to silence all of the musicals so the only voice to be heard will be hers.

The evening promises great fun and plenty of songs from musicals, but can Alice save them?

Why not come along and see for yourself.

Tickets are £5 for the Friday performance and £7 for the Saturday (both 7:30pm starts).

Saturday night tickets include a complimentary drink and nibbles. Call 01297 23847 to book.

Beer's awarding views in print

BEER'S beautiful beach is featured twice in a new calendar of photos taken by BBC Radio Devon listeners that will be raising money for Devon Community Foundation.

Thirteen amazing pictures span Devon – from Woodbury Castle to wild winter storms battering the railway line at Dawlish. But it's picturesque Beer which is the only part of the county to feature twice in the calendar.

Mark Hayler's picture of boats against a moody sky in February contrasts with May's deckchairs on the beach in full sun.

The images have been chosen from more than a thousand pictures submitted as part of a competition on BBC Radio Devon raising money for the 'Give A Gift' appeal for Devon Community Foundation.

The appeal is celebrating the radio station's 30th birthday and gives gifts of small grants to help disadvantaged people and communities throughout Devon.

BBC Radio Devon's editor, Mark Grinnell, said: "The pictures we received were stunning and it makes us proud to live and work in such a beautiful county."

"The calendar is a great way to celebrate 30 years serving this wonderful county and at the same time helping people who need it most."

Martha Wilkinson, Chief Executive of Devon Community Foundation, who was one of the judges, said: "It was so hard to choose from the many incredible pictures we received."

"In the end we think we have got a great selection of images spanning our stunning county. I was moved to see how much people love where they live and that's what Give a Gift has all been about: loving your place and the people within it and extending a helping hand to those who need one."

"Every copy will help generate essential funds to support local people."

Helen Marks, Area Director for HSBC, said: "We are thrilled to be selling the calendars in our Devon branches."

"We have been working with Devon Community Foundation for a few years and really enjoy our relationship with them."

"They offer us a chance to raise money for our local community but also to get involved in projects where we can volunteer and make a real difference."

You can buy a copy of the calendar from HSBC branches across Devon or by sending a minimum donation of £10 to: BBC Radio Devon Give a Gift Calendar, Devon Community Foundation, The Factory, Leat Street, TIVERTON, Devon EX16 5LL.

Cheques should be made payable to BBC Radio Devon Give A Gift appeal.

Remembrance plans announced

REMEMBRANCE will be observed at the War Memorial in St Gregory's Churchyard prior to the morning service on Sunday, November 10th.

The Act of Remembrance is once again led by the Seaton branch of the Royal British Legion in company with many local organisations, public bodies and the local community.

The names of the fallen are read, followed by the Last Post and the two minutes silence at 11am. The silence is broken by the Reveille and then wreaths are laid at the foot of the War Memorial.

At the same time, posies of poppies are laid on the war graves in the churchyard. The gathered ensemble will then process into St Gregory's Church.

On Monday, November 11th, the Seaton branch of the RBL will observe the Act of Remembrance at 11am. This will take place in Windsor Gardens in front of the small Field of Remembrance that is placed each year to hold personal tributes and small wooden crosses.

Everyone is invited to these few poignant moments of reflection. Afterwards, hot drinks will be available in the town hall for everyone.

It is perhaps worthwhile in the 92nd year of the existence of the Royal British Legion, to reflect back to 1921.

It was clear that Britain was not the "land fit for heroes" which was supposed to greet our servicemen who had returned from the front lines.

Those heroes found that their jobs were no longer held for them or that there were no jobs. Abject poverty and homelessness was the result for many and they were reduced to begging on the street.

It was out of this appalling situation that the British Legion, as it was then called, was born.

Such is the nature of world affairs that, 92 years later, the Royal British Legion, along with the other service charities, continues to be needed.

The RBL is the largest service charity by far and holds a pivotal position in providing welfare to, and campaigning for, the service community.

They continue to safeguard the welfare, the interests and the memory of the serving, those who have served and their dependants.

There are some 70 branches of the Royal British Legion in Devon and over 10,000 members.

There are three new welfare cases every day and over £750,000 is spent each year in the county on Legion welfare.

The RBL is immensely proud of its long heritage and

are committed to providing the help our service and ex service community still clearly need.

By wearing a Poppy with pride you can be sure that you are doing your bit too.

Four Gold Stars for Devon Rose

THE Devon Rose meat company has won four Gold Stars in the 2013 Great Taste Awards, writes JACK DIXON.

The Seaton-based producer was recognised for its free range Devonshire pork sausages and apple-smoked bacon, continuing their year on year success in the competition.

The Great Taste Awards are organised each year by the Guild of Fine Food and are regarded as a benchmark for speciality food and drink.

Director of Production, Basil Dean, said: "I am so proud of the team. Every year we continue to pull in fantastic feedback from our clients, and recognition through the awards

is always the icing on the cake.

"It is wonderful to know we are ticking so many of the right boxes for so many clients. I would like to thank the whole production team for their first class efforts."

Devon Rose, based on Gatcombe farm, specialises in free range produce and has quickly become the quality supplier of choice for many.

Mayor opens new cafe

A BRAND new family run tea shop – Daisy's Cafe – has just opened in Harbour Road and its pleasant and welcoming setting is already becoming hit with locals.

Serving up a variety of teas, coffees, hot chocolate and cold drinks, as well as homemade cakes and scones, Daisy's also offers a superb range of sandwiches, baguettes and light lunches as well as a midweek special and a traditional roast on Sunday including the best of fresh locally sourced ingredients.

Run by Lynne Derrick, a Seaton resident of many years, Daisy's is open between 8:30am and 4pm during the week and between 10am and 4pm on Sundays.

To celebrate the opening Daisy's are holding a colouring competition for children aged four years to 11, during the school half-term, from October 28th to November 1st.

There will be three prizes, one for each age category – 3-5, 6-8 and 9-11 – of a WH Smith voucher, colouring pencils and drawing books for the winner of

each category.

Formerly of Penny's in Seaton, she has long wanted to run a tea room and is forging ahead with plans to expand.

She will be opening an ice-cream parlour at the tea room next year.

This year she is offering business Christmas parties and a pre-Christmas lunch on December 1st.

Cutting the opening ribbon, Mayor Councillor Gaynor Sedgwick, said: "I am pleased to see Seaton attracting more new businesses.

"We now have a number of really good tea and coffee shops now and our town continues to buck national high street trend for new businesses opening. I wish Daisy's every success."

Popular National Trust fair raised £980

THE National Trust Axe Valley Centre held their annual autumn fair in Colyford Memorial Hall on Saturday, raising a total of £981.

The hall was packed for the event, with a number of stalls including local crafts, books, plants, bric-a-brac and a raffle. There was also a stall run by the Sidmouth National Trust shop and refreshments and light lunches were available from the kitchen.

Organisers said goodbye to fundraising couple Dave and Pat Chubb, from Seaton, who have supported the charity with their bric-a-brac stall for about five years. Mr and Mrs Chubb now find it too difficult to collect the goods for sale themselves, but are continuing to support fundraisers of their other favourite charities, including Cancer Research UK, St John Ambulance, Girl Guides, Guide Dogs and Colyton Carnival, of which Dave is president.

Chairman of the Axe Valley Centre, Michael Goodliff, said he was delighted with the result.

■ **VOTE FOR US!** Musbury Moles hope to win the £3,000 Lloyds Bank community grant to continue work on their new allotment

Musbury Moles needs your votes!

PRE-SCHOOL NOMINATED FOR £3,000 GRANT FOR ALLOTMENT PROJECT

MUSBURY Moles Pre-School is looking for votes to help them win a £3,000 grant from Lloyds Bank.

The village pre-school was nominated for the community grant by a member of staff at the Axminster branch of Lloyds, and has now reached the final round out of thousands of good causes which applied for the funding.

The organisation that wins the most votes by the public will be awarded the £3,000.

Earlier this year Musbury Moles took on an allotment in the village, which will be used to grow fruit and vegetables for the pre-school's snack time and "I Can Cook" sessions on Fridays. If successful, the £3,000 prize money will be put towards this project by purchasing child-friendly size equipment, including mini wheelbarrows, forks, shovels, buckets, watering cans, gloves, overalls and waterproofs.

The children will also be learning colours, shapes, sizes,

proportions, time of year and much more when planting and growing their seeds, as well as the importance of a healthy lifestyle.

This week, the children planted wheat on their new allotment site. Once it has grown, the pre-school will take a trip to Otter Mills to watch the wheat being milled and turned into flour, which will be taken back to the school to make bread and cakes.

To vote for Musbury Moles Pre-School, go to <http://bit.ly/HonCKb> to place your vote online (you must then go to your email and click on the link that has been sent by Lloyds for you vote to be counted). Votes can also be made via text by sending VOTE KFHC to 61119 (charged at standard text cost) or in local Lloyd branches where free tokens can be placed in the voting box.

Musbury Moles are asking supporters to vote for them in all three ways before the closing date on November 1st.

Rail club to host eleventh exhibition

THORNCOMBE Rail Activities Club's October meeting was given by John Gulliver on the subject "More Travels in search of Steam in Europe".

John has travelled extensively on the continent, observing and recording the steam locomotives that still operated before their final retirement.

Since then he has ventured forth again to record the preserved steam engines that still operate there. He showed photos of Spain, Slovenia and Czechoslovakia in the 1960s and Austria in 2003.

The club will host its annual model railway exhibition at Thorcombe Village Hall on Saturday, November 9th from 10am.

The club held its first exhibition in 2003 to help raise funds for re-surfacing of the village hall car park. Both visitors and exhibitors demanded that it continue annually and the event is now in its eleventh year.

This year's show is set to be the biggest ever with more

exhibits than usual, and organisers say they are indebted to St Mary's School for allowing them to take up space in their building. There will be a great variety of scales, regions and periods to provide a little something for everyone, even Tolkien's Middle Earth will be represented this time!

The Exhibition will be opened by Oliver Letwin MP. There will be refreshments, light lunches, free car parking and the entrance fee remains at £3 for adults, free for children.

The next club meeting is on Wednesday, November 20th and will be a talk by Peter Triggs, entitled "Steam, Steam, and a little Exhaust". The meeting will be held in Thorcombe Village Hall (TA20 4NE) and starts at 7.30pm.

Non-members are welcome, there are refreshments and parking is free.

Horse trailer stolen from Membury

A CREAM-coloured horse trailer was stolen from the Membury area between 5pm on Monday, October 7th and 7.30am the following day.

PCSO Amanda Wooster of Axminster Police said: "The trailer had four wheels in the middle and a broken knob handle at the rear."

"If you have any information, please telephone 101 quoting crime reference KA/13/550."

■ A NUMBER of steel tubes were stolen during a

break-in at commercial premises in Kilmington.

PCSO Amanda Wooster of Axminster Police said: "They average 2.3 to 2.8 metres long, and there was also an amount of flow forge pieces stolen."

"If anyone has any information, please ring 101 quoting crime reference KA/13/533."

The items were taken at some point between 9pm and 9.30pm on Tuesday, October 8th.

Coffee morning raises £460 for Macmillan

MUSBURY hosted a very successful coffee morning as part of Macmillan World's Biggest Coffee Morning earlier this month in the village hall.

Co-organiser Kay Short said: "More than 75 people came and we raised £460, which was fantastic."

"Jane Bishop, our parish clerk, organised a short bingo session and a quiz, which were very well received."

"Prizes were won and everyone enjoyed themselves. Lovely cakes were auctioned off and there was a raffle."

"All the prizes were donated by local firms who also provided coffee and milk."

"Our thanks to all who came and supported us, and to Jane who masterminded the event with a good team of helpers."

U3A given 'inspirational' talk on charity work in Uganda

MEMBERS of Seaton U3A were treated to an inspirational talk by Rosie Giles, who used to be a teacher in the Axminster area but became involved with The Children's Mission to Uganda several years ago.

She has been to Africa many times to help with various projects in the area west of Kampala, around the northern shore of Lake Victoria, particularly at Kingameke and Kagando. There are hundreds of children in this area who have been orphaned or disabled by war, aids or political upheaval.

Rosie has become a vital link in setting up basic education with a group of selfless people who, with hardly any resources, often using their own money, have begun to make a difference. She is known as 'misungu' which means 'white person' and is obviously loved by all the pupils.

Rosie had not wasted money on a professional presentation but used snapshots and homemade videos in her talk.

In one of the schools, the classrooms collapsed and the teachers and pupils set about rebuilding them immediately with very little cash, few materials and hardly any roads or transport. The well-watered lowland with moisture laden winds from L. Victoria is potentially very productive, so workshops are being set up to train the older children to grow food crops and cotton.

Rosie was wearing a delightfully printed dress, a product of the developing textile workshops.

Canon Janet, Rosie's main contact in Uganda, has

spent most of her life working for the children. She didn't marry but trained to be a teacher and used her money to send her six brothers and sisters to school. More recently she has paid for Ruth, a desperately unhappy girl, to go to college and learn to cook and drag herself out of poverty.

Another tireless worker, Canon Richard, Head of Child Protection Policy, has drawn up rules with Janet to safeguard girls. Men in Uganda generally believe that it is their right to make girls pregnant. Canon Janet emphasises that they must work to change attitudes.

Robert, a musician, has set up the Bayira Children's Centre for orphaned, abandoned and disabled children, financed by his concerts. There are 117 children, three teachers and three classrooms.

Conditions in Magabe's Uganda are horrific. Child sacrifice is on the increase since witch-doctors were legalised again; 400 children were sacrificed between 2008 and 2011. Children as young as three are begging in organised gangs in the streets of Kampala. A new fatal disease developed in 2012, "nodding disease", which as yet has no cure.

One of the most heartening photos in the presentation was of the boys' football team, dwarfed by the strip donated by Seaton Town Football Club but obviously very happy!

Those wishing to help Rosie and her associates continue the good work in this troubled part of Africa, can send donations to her at 11, Lyme Mews, The Esplanade, Seaton, Devon EX12 2TZ.

Seaton Probus Club opens its doors to non-members

ST Gregory's Hall in was packed to capacity for a meeting of Seaton Probus Club, where members received a fascinating presentation by Bob Alderman.

For the first time, the club opened its doors to members from other probus clubs in the area and to non-members to hear about the ambitious project to build and run a new Peppercorn class A1 steam locomotive.

The talk, supported by an extensive collection of slides, took the audience from the original idea in 1990 through the many stages of construction to the loco's first run on mainline track in 2008. Working from plans in the National Rail Museum, which were adapted to suit modern materi-

als and methods, the team faced many challenges, not least the necessity to raise £3 million for the project, but their enthusiasm and determination won through.

This is the 50th Peppercorn A1 to be built and the only one in existence. This remarkable achievement has resulted in a locomotive that is used across the country to haul specials, and has already travelled close to 70,000 miles.

Not ones to rest on their laurels, the team now plan to make a Gresley Class P2 locomotive!

For more information about Seaton Men's Probus, please call Keith West on 01297 624374.

Phoenix ladies enjoy entertaining talk on 'what every women needs'

FOLLOWING a summer break during August, Axminster Phoenix Ladies Club met recently to hear Val Sutherland's talk on "What Every Woman Needs".

Members were encouraged by Val to have a good laugh every day, be grateful for good friends, as well as family, wear make-up and high heels to increase self-esteem and most importantly, where possible, to enjoy each day and live it to the full.

A hilarious monologue, courtesy of the much loved Joyce Grenfell, a tutor of Val's at one time, caused much merriment amongst the members who could relate to some of the anecdotes from the speaker.

Members would like to thank to Val for an amusing

and illuminating talk, given with much humour.

During the business side of the meeting, the Christmas menus for the festive lunch at the Belmont Hotel, Sidmouth, booked for December 9th, were handed out and a separate list circulated detailing the Christmas shopping trip to the Street Retail Outlet on Wednesday, November 27th. A 27-seater coach has been booked and seats are still available at a cost of £11 per person. Further information from Lesley Frankau on 01297 33420.

Prospective new members Marcia Willmott, Jean Ray and Anne Rhodes were welcomed to the Phoenix.

Roman soldier visits heritage association

THE Axe Valley Heritage Association was visited by a Roman soldier at one its latest meeting.

John Smith gave members an entertaining evening, dressing as a soldier and showing off some magnificent uniforms and helmets he had acquired over the years.

Officers were paid handsomely, had excellent food and living conditions and each had two servants.

Members were shown various helmets; open face helmets were used for recognition with flaps at the side on flanges and, in the winter, they were lined with wool. Thirty-eight pieces of metal held the body armour together. Uniforms were made at each camp and, along with their blacksmiths, each unit was totally self-sufficient. Later, chainmail armour was worn, being lighter in weight and easier to put on.

Members were also shown a collection of spearheads, swords, daggers and belts, some of which had been dug up locally.

The final talk was an illustrated history of Trinity

House Lighthouses by Alan Nichols. Again, members agreed this was an extremely well-researched and fascinating insight into how the lighthouses came into being.

The royal family, throughout the centuries, have been closely involved right up to today with the Princess Royal being the latest master. Trinity House were involved in many aspects, including training pilots, hydrographic work, advising men of war and press gangs in the old days.

The first lighthouse was built in 1680 on the Isles of Scilly. James II gave them their first charter and almshouses were built in London for the retired mariners and their families. George V gave them their royal warrant.

Changes have occurred over the years to bring the lighthouses into the 21st century. Helicopters are used to ferry lighthousemen to the few remaining lighthouses but most are now automated.

RAY Hunter this week writes:
 "Isn't it good in these dark and stormy days of autumn, the clocks having gone back and winter fast approaching, that we can focus on the light?"

"Some of Paul's words in the Bible say, 'Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable - if anything is excellent or praiseworthy - think about such things.'"

"Jesus said, 'I am the light of the world. Whoever follows me will never walk in darkness but will have the light of life.'"

"With the world and the media throwing all kinds of dark and negative things at us, let's counter that by focusing on the light. It is a real bonus that this newspaper reports on the many good stories and other things happening in East Devon and around."

Of good things referred to, the current lead is surely the Freedom Café at St Gregory's Church, Seaton, which has been nominated by Lloyds Bank to receive a community award. People in East Devon can cast their vote at any Lloyds Bank by November 1st, or text KFHB to 6119. Votes are vital!

First in this week of local events is at the Methodist Church, Lyme Road, Axminster, is "Cooking on a Budget" on Tuesday October 29th from 10.30am to 12.30pm and weekly. To book in telephone 01297 631782.

Friday, November 1st sees the Autumn Souper Lunch for Christian Aid at the United Reformed Church Hall, Seaton, 12noon to 1.30pm. Doors open for browsing at stalls including Fairtrade at 11am.

At Sidmouth Children's Centre on Friday, November 1st from 10am to 11.30am comes Drop in Bumps & Babes.

Saturday, November 2nd offers the Cancer Research Coffee Morning in Colyton Town Hall at 9am.

Still on Saturday, November 2nd, Southleigh is hold-

Pulman's View from the churches

With NIGEL SPELLER

ing its Halloween Party at 7pm in the Parish Hall - pumpkin soup and pies - enquiries 01297 7552433.

On Tuesday, November 5th it is "Cooking on a Budget" again at The Methodist Church Hall, Lyme Road, Axminster, at 10.30am.

Now looking further ahead, Christmas Tree Festivals are now planned for two dates this December - first comes Colyton Church from Wednesday, December 4th to Saturday, December 7th - set up on December 3rd, entry forms from The Paper Shop at Colyton.

Then at Axmouth, the Friends of Axmouth Church stage a week of events from December 14th to 21st, which will include the Colyton Grammar School Choir and the Axe Valley Steel Band & Christmas Trees - all to fund the cost of urgent repairs to Axmouth Church.

Honiton Deanery Synod, non-members welcome, meets on Thursday, November 14th at 7pm at St Paul's Church, where free copies of the Church Times for 150 years will be available for each parish.

The Archbishop of Canterbury has welcomed the efforts being made to make Britain a "healthy society" but stresses that in addition we must create a more caring society, with the poorest sharing in national prosperity, with the provision of more affordable housing and jobs for the long-term unemployed.

Housing associations are welcomed to meet local needs not covered, and the Archbishop pledges to end payday lenders, with the church's financial muscle, in order to build up a credit union.

AXMOUTH

THE president Denis Gate welcomed everyone of the latest meeting of Axmouth WI.

Members discussed the centenary annual general meeting in 2015 and heard that a baton will be visiting as many WIs as possible throughout the country to mark the occasion.

The bed and breakfast book for members is currently being updated and any members who offer a bed and breakfast service can have their details added if they wish.

Members heard that the BBC is starting a new programme for people who wish to say sorry to someone they have lost touch with, or thank someone who has done something amazing to help them.

The next food and craft skills meeting in Kilminster will be on November 4th, when members will be making free-standing Christmas tree ornaments, followed on December 2nd by Christmas candle decorations in the morning and Christmas wreath making in the afternoon.

The speaker was one of the WI's new members, Sue Barnard, who demonstrated how to make and ice three delicious puddings with a festive theme. Sue trained as a chef and worked alongside a pastry chef at The Savoy back in the 1960s, when it was much harder for women to proceed up the ladder.

Sue then trained in hotel management and spent some time working for the Greater London Council before working as a bursar in a college in Kent.

Sue also produced three Swiss rolls, which were shop bought as her theme was "Short Cuts to Baking". The rolls were doused liberally with run and left to soak, then covered with piped whipped cream and decorated with holly berries made out of angelica and glace cherries.

Sue then made a Christmas bombe, again a chocolate Swiss roll cut into slices. She lined a pudding basin with cling film and put the sliced chocolate Swiss roll around the sides and bottom of the basin, then spread black cherry jam over the top. The bowl was filled with whipped double cream with cherry brandy to flavor, topped with further Swiss roll pieces. The pudding must

be left in the fridge for at least two hours before turning out onto a plate, sprinkling with icing sugar and decorating with holly and berries as before.

Flower of the Month prizes were as follows: 1st Norma Sweetland, 2nd and 3rd place Pat Tresize.

Competition winners for best witch's hat were: 1st Val Trendell, 2nd Jackie Lewis, 3rd Beryl Elston.

KILMINGTON

AFTER apologies for absence, Kilminster WI started its October meeting with Derek Stevens telling members of his memories of World War II.

He was living in Croydon and at the outbreak was promptly put on a train at Waterloo for East Devon, where he stayed with his grandparents. There was some objection to evacuees from local people for various reasons; one being that eight shillings and sixpence was thought to be an inadequate amount of money for looking after a child for a week.

Mr Stevens went to Uplyme school and his mother came down to Devon as well.

At the time, pill boxes and airfields were being constructed for defence and he told members of one man getting up early to get steam up on his road roller before the workforce arrived when a small aircraft landed near him.

The pilot spoke to him in a foreign language and it wasn't until the plane took off again that he saw a swastika on the side! He told the group many stories of his wartime life and at the end he was thanked by Mary Seward.

Business followed after the coffee break and a provisional date and venue were set for Christmas lunch. Various outings organised by county office were discussed.

The competition for an item of World War II memorabilia was won by Margaret Andrews and the Flower of the Month by Phyllis Bellworthy. The meeting closed at 9.20pm.

Next month, on November 14th, John Brown will speak to the group about the work of the St John Ambulance Brigade.

Affordable housing 'debacle' is typical of Seaton planning

■ MANY congratulations to newly-elected Seaton councillor Stephen Williams for saying so much that needs to be said about the Tesco debacle.

It turns out to be an excellent store of its kind, all the better for the best coffee around at its Costa attachment. And so far it has not begun sinking into the marshes as some of us half expected.

But the nonsense about so-called "affordable housing", a meaningless phrase which says nothing about actual rising prices, is all too typical of Seaton over the decades. The planners have not helped anymore than the local politicians elected to restrain them.

When I was growing up as a Musbury boy with a bike, Seaton was my main port of call. It had a handsome railway station newly rebuilt by the Southern Railway, a successful holiday camp next door, a four-star hotel on the front, a modern cinema

and a good variety of independent shops.

The railway loss was part of a national tragedy caused by the vandalism of Dr Beeching working for a Tory transport minister who made his fortune building roads. But so much of the rest could have been adapted and saved. Instead, the town has suffered unlimited bungalow growth which still threatens the green wedge dividing Seaton and Colyton.

What next? A few more unaffordable houses on firm land might be fine, but surely any other spare land left over should be incorporated into the nature reserve on the Seaton side of the Axe. That could become an asset as attractive to locals and visitors as any riches to be found on either side at Lyme Regis or Sidmouth.

SEAN DAY-LEWIS,
Colyton

Nice to read positive community news

■ THANK you so much for the Tuesday, October 15th edition of *Pulman's View From Seaton*.

It was really positive with some lovely reports of the great things that are going in our lovely town. The "View From Seaton", in my opinion, is certainly rosy, things are on the up and it's a shame when negativity clouds that view.

If I'm honest, I was very close to not picking up your paper anymore from the Co-op when I do my weekly shop, so I was delighted to see the Food Bank and the Lion's Brass Band on the front page!

Please, please can we have more positive reports of the great things happening in our town, and the positive people behind them rather than negative reports on just a handful of people that have issue with the council.

Thank you for what felt like a much more community-orientated local paper.

KAY D'ALBERTANSON,
Seaton

Mayor makes no apologies for opposing Post Office move to 'unacceptable' site

■ I AM sorry my blindfolded walk around Axminster invoked Tracy Cook's disgust (*Pulman's View* letters, October 22nd), but I feel I should point out I did not "hijack" the event, but was invited to do this several weeks ago in order to raise the profile of Guide Dogs, help their fundraising and to reinvigorate the local branch by encouraging new members to join.

Perhaps Ms Cook might like to volunteer as she is such a keen supporter.

I have nothing against McColls, indeed as the Post Office's largest franchisee, I am sure they would provide an excellent service. It is just that the location is, in the view of the town council and many others, totally unacceptable.

Having lived just yards away for 17 years until 2000,

I know how dangerous that corner can be; there have been several accidents there, that they have not been fatal is more by luck than judgement. The pavement cannot be widened, the building cannot be meaningfully altered as it is Grade II listed, and until we get a relief road traffic cannot be decreased, and larger lorries cannot be stopped.

I make no apologies for taking any legitimate action I can to try and get this proposal rejected, and a more suitable location found. I and my fellow councillors may not succeed, but it will not be for the want of trying.

COUNCILLOR JEREMY WALDEN,
Mayor of Axminster

Guide Dogs event was not 'hijacked'

■ I FEEL I must write in answer to Mrs Tracy Cook's letter of the October 22nd publication.

Councillor Jeremy Walden did not hijack the Guide Dogs fundraising event in Axminster on October 10th. He had been asked by the committee some months before the event if he would very kindly do a blindfolded, guided walk with a guide dog to highlight the wonderful work these guide dogs do, to which he readily agreed.

If Mrs Cook is referring to the picture of a scooter parked outside Martins, this was purely coincidental

and only goes to show the hazards the guide dogs have to negotiate.

Also, may I point out that since Mrs Cook's grandfather was around Axminster with his guide dog traffic has become far busier, lorries a lot bigger and far more people around our small town?

BARBARA BAINES,
Guide Dogs committee member,
Axminster

Registered practitioner and full member of the Massage Training Institute (MTI) & the Complementary & Natural Healthcare Council (CNHC)

Massage is a hands-on, holistic method of health care. Massage therapists use hands-on techniques on the muscles, fascia, tendons, ligaments and joints to bring relief from everyday aches, reduce stress, increase relaxation, address feelings of anxiety and tension, and aid general wellness.

Massage therapy also treats specific physical and medical conditions by releasing muscle tension, restoring muscle and postural balance, increasing circulation and improving tissue nutrition. Therapeutic massage

can effectively treat long term chronic pain, motor vehicle accident rehabilitation, athletic injuries, repetitive strain injuries and nerve impingements.

It can also be used in support of other therapies to assist in the rehabilitation of muscular injuries i.e. massage can improve the effectiveness and comfort level of chiropractic or physiotherapy care.

Massage can also be an important part of a preventative maintenance program. For long term health, consider a maintenance plan of monthly treatments. This approach works well when you are at a level of health that you want to maintain. The monthly massages take care of minor aches before they become painful problems.

Healer & Psychic Medium

I **AM** a psychic medium and run several development and meditation groups. I was attuned to Reiki and qualified as a Crystal healer in 2003.

Connect with your loved ones in a private reading. My reading for you will bring precisely what is needed in your life right now. I link with my guides who bring through your friends or relatives in the spirit world. I give a clear reading helping you to become aware of the options and general direction you could take in your life.

When healing I work on all levels, physical & emotional alike, clearing blockages and re-aligning the Chakras. I work very much with my intuition as I believe that just like each and every one of us has our own unique energy, so crystals have their own.

Michelle Hague – Clinical & Cognitive Behavioral Hypnotherapy

Helping to cope with stress & anxiety

ANXIETY and stress can often create symptoms that in time cause illness. Anxiety is known to produce noticeable physical symptoms, such as rapid heartbeat, high blood pressure, and digestive problems. In General Anxiety Disorder (GAD) and Social Anxiety Disorder (SAD)

the symptoms become so severe that normal daily functioning. Clinical Hypnosis and Cognitive behavioural therapy (CBT) are common treatments for stress and anxiety disorders and can be very effective in changing thinking and responses.

In contrast with CBT and in many ways very similar to Hypnosis Mindfulness and mindfulness-based therapies (MBTs) seek to change the relationship between the anxious person and his or her thoughts.

In mindfulness, the person focuses on the bodily sensations that arise when anxious. Instead of avoiding or withdrawing from these feelings, the focus is on remaining present and fully experiences the symptoms of anxiety. Instead of avoiding distressing thoughts, opening up to them in an effort to accept that they are not literally true, just ideas and imaginings often related to the past

or future events but no less unreal in the present.

By remaining present in the moment aware of the breath and the body, individuals can learn that the anxiety they experience is merely a reaction to thoughts. By positively responding to threatening events instead of being reactive they can overcome an mistaken stress fight-or-flight response, and take control of their life.

Lindy Parry

I HOLD my private chiropody clinic at Townsend House Surgery in Seaton on Tuesdays, Wednesdays and Thursdays.

I offer a range of treatments from a simple nail cut to nail surgery, and each treatment plan is priced accordingly.

The nail cutting only service is a shorter appointment and is ideal for those that don't have any other foot care needs. Others like to alternate nail cuts with chiropody treatments as it best suits their requirements. I always aim to work with the patient to find the best treatment plan to suit each individual. Patients feet are then monitored during treatment so that changes can be made should the need arise.

Diabetic patients who attend for chiropody will also have a diabetic foot assessment carried out during their first treatment, and will then be monitored and re-assessed as necessary.

My chiropody clinics are available to anybody seeking help with their feet and Townsend House and I look forward to welcoming you.

Bookings can be made by calling 01297 22956.

AMANDA has been practicing in Honiton for the past 13 years and offers various treatments. These include HOPI EAR CANDLING, HOT STONE MASSAGE, REFLEXOLOGY, SWEDISH MASSAGE, FACIAL REJUVENATION AND INDIAN HEAD MASSAGE.

Amanda regularly goes on courses to keep up with the latest techniques. These treatments make a fantastic gift. Please get in contact Amanda for any advice on the best treatment for you.

Traditional Acupuncture

Acupuncture can improve & maintain health & energy & enhance a sense of well-being

ACCORDING to traditional Chinese philosophy, our health is dependent on the body's motivating energy (qi) moving in a smooth and balanced way through a series of channels beneath the skin.

Acupuncture can affect the quality of qi, your body's vital energy, by the insertion of very fine needles into specific points along these channels. This stimulates the body's healing response and restores natural balance. Treatment is aimed at the root cause of your condition as well as your main symptoms. This approach helps with resolving your problem and enhancing your feeling of well-being. You may notice other niggling problems resolve as your main health complaint improves.

The type of conditions that I mostly see in my clinics include the following: arthritis, back pain and sciatica, poor circulation, low energy levels, hormonal/menopausal symptoms, pregnancy management, fertility problems, weight management, and addictions such as smoking. However, you don't have to be ill in the conventional sense to benefit from acupuncture, sometimes people come to see me because they are feeling low, unwell in themselves, or maybe not sleeping as well as they would like to.

Professional Acupuncturists spend at least 3 years training at degree level to become an Acupuncturist. We are then entitled to join the British Acupuncture Council and to use the letters Lic.Ac., B.Ac.C after our names. We also have public liability and professional indemnity insurance. Many of us have also studied at post-graduate level and are constantly updating our skills and experience.

So, why not give me a ring and see if I can help.

Sports Therapy

Sports Therapy is an aspect of healthcare that is specifically concerned with the prevention of injury and the rehabilitation of the patient back to optimum levels of functional, occupational and sports specific fitness, regardless of age and ability.

It utilises the principles of sport and exercise sciences incorporating physiological and pathological processes to prepare the client for training, competition and work.

Although some physiotherapists focus on sports-related cases, sports therapy and rehabilitation is a separate profession, requiring a 3 year intense study at university. It is concerned with musculo-skeletal conditions arising from physical activity, not with general healthcare.

To sum up the work of a sports therapist:

Diagnose
Treat
Rehabilitate
Prevent injuries

Dealing with injuries from any background

Laser Therapy (LLLT)

Low level laser therapy (LLLT) is the application of red and near infra-red light over injuries or lesions to improve wound and soft tissue healing, reduce inflammation and give relief for both acute and chronic pain. It is used to: increase the speed, quality and tensile strength of tissue repair; resolve inflammation and relieve pain.

The effects of LLLT are photochemical (like photosynthesis in plants). When the correct intensity and treatment times are used, red and near infrared light reduces oxidative stress and increases ATP. This improves cell metabolism and reduces inflammation.

LLLT is popularly used for acute and chronic pains including; soft tissue injuries, fractures, joint conditions such as osteo and rheumatoid arthritis, neuropathic pain, non-healing leg pressure and diabetic ulcers, post operation recovery and general body pains.

As well as tissue repair and pain relief, LLLT is used in sport as a performance enhancing aid. Increasing ATP and reducing oxidative stress gives the athlete an increase in endurance, allowing them to train longer with little or no effect from DOMs and an increased time on muscle repair.

LLLT users include British and US military, premier division football teams, Olympic teams, Formula 1, national rugby and cricket teams and specialist pain clinics.

N.C. Jacks Landscaping

N.C. JACKS Landscaping is a small, family-run business that has been working in the East Devon and West Dorset area since 1986. The business aims to provide a high quality service designed to meet your individual requirements. This may be a design to completion project or an individual job such as a patio or fencing.

Whether you are looking for a patio area to relax and enjoy your garden from, or just a path way to access another area, paving is the ideal choice. Hard wearing and permanent the style of finishes

is extensive.

Dry Stone provides a very strong and flexible wall. Traditionally built with natural stone with no mortar or concrete and simply back filled with soil it works well in a cottage garden where a more traditional look is required. It provides an attractive base for plants to grow through.

We carry out a full range of fencing services from traditional panels, close boarding and post and rail, as well as trellis and gates.

Decking provides a more contemporary hard

garden surface. Softer than paving it can be used on its own or as a compliment to hard paving. It is well suited to level uneven awkward sites. Balustrading and hand rails give a practical and attractive finish.

THE FAMOUS FLAMING TAR BARRELS

OTTERY ST MARY KNOWN WORLDWIDE AS THE HOME OF THE NOW FAMOUS FLAMING TAR BARRELS

Not just a tradition,
more a way of life.

THOSE who have visited Ottery St Mary on 5 November, still find it difficult to under-

stand what motivates the townspeople into carrying flaming tar barrels through the streets.

Seventeen barrels are carried during the day. They start in the afternoon and range in

size from small for the "boys", medium for the women and youths, up to "gert big unz" for the men. Traditionally, the barrels are set alight at various public houses and hotels around the town and follow a tight schedule until the final barrel is carried in the square around midnight.

Over a 12 month period, barrels are selected and their internal surface coated with good old fashioned coal tar, available from only one source in the country. Straw and paper is placed inside to help the lighting process and the melting tar does the rest.

The Bonfire

A GRAND bonfire in St Saviours Meadow
(By kind permission of the Millennium Green

Committee) is lit by the Carnival Vice President Mrs J M Lovell.

Ottery's giant bonfire is an integral part of the annual tar barrels and has many sites throughout its history..

Three weeks before the tar barrels, all manner of material is collected from the community to build the bonfire. The sight of the first fully laden tractor and trailer seems to herald the coming of the tar barrels and in turn generates a bout of communal pruning. On the week before the tar barrels the bonfire is finalised and usually stands about 35ft high with a girth of around 50ft.

The Guy for the bonfire has been made by the same family since 1958. Peter Young has prepared him for the last 10 years and his father Archie be-

fore him. The committee would like to express their appreciation for their continued support.

On tar barrels day the ceremonial Guy is placed on top of the bonfire and in the evening the Carnival Vice President sets a flaming torch to the base and a spectacle of flame is enjoyed by all.

The Town is completely shut off from 5.00pm until gone midnight and no vehicles are able to move in or out of the town. Car parks are provided and compulsory.

PLEASED TO SUPPORT OTTERY ST MARY TAR BARRELS 2013

Louise Jordan is next Jurassic Folk Guest

Louise Jordan

The singer, guitarist and pianist will perform at the Seaton night next week

LOUISE Jordan's songs ask questions. They are bold in their honesty and striking in their intensity. They are haunting in their simplicity and yet they traverse a broad emotional arc. 'When I write music I want to convey feelings that the listener can identify with and understand and I hope that my music provides a safe place for people to explore these ideas so that something positive can come out of the experience.'

A rising young star, Louise plays guitar, piano and cello but it's her voice which is most often celebrated as the pinnacle of her trade mark sound: captivating, powerful and evocative. Louise has completed three UK tours with performances alongside Ralph McTell, Barbara Dickson, Eliza Carthy, Phil Beer, Cara Dillon, Kris Drever and Richard Digance. Some quotes; "a stirring, lilting grace" The Telegraph, "a masterclass in songwriting" R2 Magazine, "Absolutely, totally and completely brilliant" Mike Harding, BBC, "the fragility of perfection" FolkWords.

And if that wasn't enough, we have two very accomplished support acts, the first of which is that fine duo Misty Roses who join us again after giving such a super performance a couple of months ago. Sue King and Peter Fung together provide something special with their nice mix of contemporary folk and classic ballads which has everyone humming along.

The second is Two Hunts and A Gamble, who have risen like a phoenix from the remnants of that much loved accapella trio, Hunt Gamble & Trezise, who were very sadly brought to an end by the tragic and unexpected loss of David Trezise earlier this year. It is magical that they have been able to reform by the addition of Cath, and I know David would have thoroughly approved of the lovely rounded sound that they are developing.

So a very special evening is in store and advance tickets are available at £8. (On the door they will be £10.) It all happens at the Grove, Seaton, November 6th, with doors open at 7.45pm. As always, tickets available on the website www.eastdevonfolk.org, by phoning 01297 20064.

Big season of screenings continues at The Gateway

NATIONAL Theatre Live's 2010 broadcast of Alan Bennett's acclaimed play **The Habit of Art**, with Richard Griffiths and Alex Jennings, returns to screens as part of the National Theatre's 50th anniversary celebrations.

Bennett's play is as much about the theatre as it is about poetry or music. It looks at the unsettling desires of two difficult men, and at the ethics of biography. It reflects on growing old, on creativity and inspiration, and on persisting when all passion's spent: ultimately, on the habit of art.

A superbly fluid production by Nicholas Hytner and beautifully acted.

Bennett the maestro returns with a multi-layered masterpiece. Another absolute cracker, often wonderfully and sometimes filthily funny, but also deeply and unexpectedly moving.

The Habit of Art will be screened at Seaton Gateway at the Town Hall on Thursday, November 7th, doors open 6pm with the show from 7pm. Tickets cost £12.50 in advance, £15.00 on the door.

Tosca tells the story of the love between the famous opera singer Floria Tosca and the painter and political activist Mario Cavaradossi. Cavaradossi sends the political escapee and former Roman Consul-General, Cesare Angelotti, to hide down the well in his garden.

The evil Baron Scarpia is determined to have Tosca for himself, and invites her to supper in order to discover the whereabouts of Angelotti. He orders the torture of Cavaradossi in her earshot.

Unable to bear his screams of pain, Tosca willingly gives up the information but not before she has persuaded Scarpia to allow her and her lover to escape from Rome.

He insists that to satisfy the authorities, Cavaradossi must undergo a mock execution, and arranges this with one of his henchmen, Spoletta. He then provides Tosca with a note of safe-conduct for her and her lover.

As Scarpia attempts to ravish Tosca, she stabs him. Before his body is discovered, she rushes to the prison in the Castel Sant'Angelo to tell Cavaradossi that he has to face the firing squad, that the muskets will contain blanks, and he will have to act his death.

But Scarpia has tricked Tosca - the bul-

The Habit of Art

lets are real! As Cavaradossi lies dead and Scarpia's henchmen approach, Tosca is left with no alternative and takes her own life.

Puccini's timeless verismo score is well served by two exceptional casts. Patricia Racette and Sondra Radvanovsky share the title role of the jealous diva, opposite two leading tenors Roberto Alagna and Marcello Giordani. George Gagnidze is the villainous Scarpia.

Puccini's **Tosca** will be screened at Seaton Gateway on Saturday, November 9th, doors open 5pm for 6pm performance. Tickets cost Tickets £15 in advance £17.50 on the door.

Richard II will also be streamed live by satellite to the Gateway big screen from the Royal Shakespeare Company in Stratford upon Avon.

Richard is King. A monarch ordained by God to lead his people. But he is also a man of very human weakness. A man whose vanity threatens to divide the great houses of England and drag his people into a dynastic civil war that will last 100 years. RSC Artistic Director Gregory Doran directs David Tennant in the title role.

Richard II is the first production in a new cycle of Shakespeare's History plays, directed by Gregory, that will be performed over the coming seasons.

David is joined in the company by Oliver Ford Davies, who also appeared with him in the acclaimed 2008 Hamlet.

Richard II will be screened at the Gateway on Wednesday, November 13th, doors open 6pm, show from 7pm. Tickets cost £12.50 in advance and £15.00 on the door.

Tickets for all show are available from the Town Hall Box Office or by calling 01297 625699.

A licensed bar will be in operation for each performance.

A big warm welcome! Zoë Ford joins the team at Frank Property

WITH bags of experience, passion, integrity and a real love for property, we welcome Zoë.

Here are a few words from her:

"I take enormous pride supporting buyers and sellers as much as I can during what can sometimes be a challenging process. To say I'm really excited to be joining Frank Property would be an understatement! Customers always come first. I pride myself on having a refreshing and honest approach, which will add to the excellent service already provided by Frank. We are seeing investment buyers and those looking to relocate to Seaton during this thriving regeneration period for the area. And of course, the new mortgage scheme for first time buyers will have a positive impact too!" — Zoë Ford

Zoë will be starting on the 11 November.

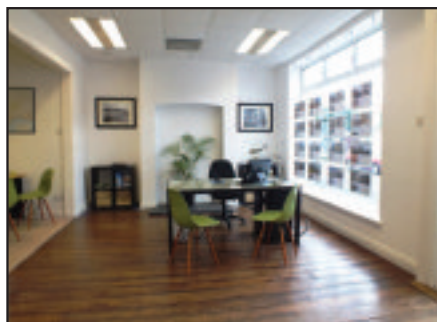

"We're thrilled to be working with Zoë Ford. She has an excellent track record, a fantastic reputation and her values are in perfect harmony with ours; openness, honesty, and sincerity; where the vendor's best interests are always the number one priority." Chris Reed - Co-Founder.

Zoë's appointment opens an exciting new chapter in Frank Property's growth.

A successful instruction begins with Frank Property. For more information please call one of the team on 01297 24022 or drop into our offices at 5 Cross Street.

5% deposit to secure your new home Now is a good time to check out your mortgage options

THE Government's decision to bring forward Help-to-Buy Phase 2 is encouraging news for first-time buyers and home movers, according to local leading estate agency Fulfords in Seaton.

The second phase of the scheme is a mortgage guarantee, which allows buyers to purchase a home worth £600,000 or less with just a 5% deposit. The mortgage guarantee applies to all property purchases, not just new-build homes, and the Government will guarantee up to 15% of the value of the property through an agreement with the lender.

Help-to-Buy Phase 2 was expected to launch in January 2014 but the Government has bought it forward to October 2013 as a continuation of its pledge to help more people across the country become homeowners. The Government aims to do this by increasing the supply of low-deposit mortgages and enable those with a 5% deposit to get on the housing ladder.

Commenting on the launch of Help-to-Buy Phase 2, Chris Heal, Manager at Fulfords said: "We welcome the launch of Help to Buy Phase 2 which will enable more people to get on the housing ladder and alleviate pent up demand for those wishing to purchase their first home or trade up. As part of Countrywide plc, the UK's largest mortgage broker, we are able to offer our customers access to a range of competitively priced mortgage products ranging from 95% to 60% loan-to-value. Through Help-to-

Buy Phase 2 we are delighted to be able to offer a 90% and 95% loan-to-value mortgage from one of the high street's leading lenders."

The interest rates for a 95% mortgage available through Help-to-Buy Phase 2 mean that the mortgage is affordable and repayments are manageable for homebuyers. For many people the monthly mortgage payments will be cheaper than the cost of the average monthly rent.

"First-time buyers and home movers with just a 5% deposit should speak to a mortgage consultant now to find out more about the best mortgage options to suit their needs," says Ben Gibbs, Sales Negotiator at Fulfords.

The first phase of the Help-to-Buy scheme was launched in April 2013 and offers loans of up to 20 per cent to all homebuyers who are purchasing a new-build property up to the value of £600,000. Buyers only need a 5% deposit to qualify and the Government will lend them an equity loan of 20% of the property value. The loan is interest-free for the first five years, after which buyers must pay an annual fee. Borrowers can repay the loan at any time.

For further information about Help to Buy Phase 2 and to find out more about your mortgage options, please contact **Chris Heal** by telephone on **01297 24224** or manager. **seaton@fulfords.co.uk**.

New Suzuki SX4 S-Cross receives 5-star Euro NCAP overall safety rating

THE SX4 S-Cross has been rated one of Europe's safest cars, according to new independent crash testing results from Euro NCAP, receiving the maximum 5-star rating.

Suzuki's new C-segment crossover has been highly rated among the 5-star vehicles tested by Euro NCAP in 2013, achieving an above-average overall result. The SX4 S-Cross performed notably well on its pedestrian protection, the top-class rating in total score for newly adopted test methodology that took effect this year.

Euro NCAP now releases one overall star rating with a maximum of five stars. The number of stars reflects how well a vehicle performs in all four areas: adult protection, child safety, pedestrian protection and safety assist.

The body structure and occupant restraint systems on the SX4 S-Cross are developed to meet current and anticipated crash safety standards, offering optimal protection in real life situations.

The new SX4 S-Cross features Suzuki's Total Effective Control Technology (TECT) concept for occupant-protecting impact absorption and low weight. Extensive use of high tensile steel for key parts helps to keep the body light and enhances the vehicle's crashworthiness substantially.

The new SX4 S-Cross's body incorporates a large proportion of high-tensile steel for strength and lightness. The stiff mountings of the front struts and suspension frame provide greater handling stability. A high-rigidity body is fundamen-

tal to handling, comfort, safety, NVH performance and every other aspect of a car's behaviour.

Suzuki ensures best possible safety on the new SX4 S-Cross by synchronising active and passive systems.

Active safety equipment includes a speed limiter, which prevents the car from exceeding a driver-set speed, ESP®, which promotes stability; and seatbelt reminder for all seats.

Passive safety equipment on the SX4 S-Cross starts with seven airbags, which offer protection in the event of frontal, lateral or rear impact;

seatbelt pre-tensioners and force limiters. The seat and head restraint provide good protection against whiplash injury in the event of a rear-end collision. In addition, bonnet shape and new structures for the cowl top, wipers and bumpers provide impact absorption which lessens the degree of harm if the car comes into contact with a pedestrian.

SX4 S-Cross is on sale in the UK now from £14,999, and is also offered through the Motability scheme from £399 Advanced Payment with a CVT gearbox available.

Subaru launches rugged XV Black limited edition

- Limited run model with a choice of petrol or diesel engines and manual and Lineartronic transmissions
- Visual changes boost the XV's rugged, go-anywhere appeal
- XV retains the highest Euro NCAP safety rating in its class
- XV Black Limited Edition priced from £24,495 (OTR)

SUBARU has today announced the launch of the Subaru XV Black, a new limited edition variant of the manufacturer's popular compact crossover. The 'XV Black' models will be available with either Subaru's 2.0-litre Boxer diesel engine mated to a six-speed manual transmission, or the 2.0-litre Boxer petrol unit and a Lineartronic automatic transmission.

Exclusively finished in Crystal Black Silica paint, the XV Black offers a number of visual additions unique to the special edition model, which are designed to boost the car's rugged, go-anywhere appeal. These include front, rear and side silver-resin underguards, front and rear mudflaps, a cargo step panel and a foldable cargo tray. Inside, the Black model is fitted with heavy-duty rubber floor mats.

The All-Wheel-Drive XV Black is priced at £24,495 (on-the-road) for the 2.0i Lineartronic and £24,995 for the 2.0 Boxer diesel, and is based on the existing SE model. Motorists will pay just £1,000 for all the extras fitted as standard to the XV Black, which – if fitted separately as options to other models in the range – would total over £1,600, meaning the new Limited Edition model offers both exclusivity and value for money.

The XV enjoys a class-leading five-star Euro NCAP crash safety rating and at 90%, one of the highest scores for child occupant protection ever recorded, making it ideal for young families.

Perfectly suited to everyday use in an urban or out of town environment, the 'go anywhere' XV combines the highest ground clearance of any vehicle in its segment with the lowest centre of gravity. Efficient engines and lightweight body mean the XV is able to return a 50.4mpg on the com-

bined cycle and emits only 146 g/km CO₂ (2.0-litre diesel models).

The new XV Black Limited Edition features Subaru's typically generous standard equipment levels, including Subaru's standard-fit Vehicle Dynamics Control (VDC) system, providing world-class hazard avoidance capabilities. Other standard features include front, side, curtain and knee airbags, 17-inch alloy wheels, daytime running lights, heated front seats, wiper de-icers, cruise control, folding door mirrors, dual-zone air-conditioning, rear view safety camera, Bluetooth, HID headlamps, and rear privacy glass.

Yippee! Customer glee at delivery of MG3

THE first customers of MG's new supermini are rejoicing at receiving their cars this week, as the Longbridge based manufacturer begins customer deliveries of the eagerly awaited MG3.

The MG3 is available in four specifications, with the top of the range, 3STYLE priced at only £9,999, down to the entry level, 3TIME, for just £8,399. The affordability continues with an insurance group rating of just 4E on all MG3s.

Promotional expert, Laura Drysdale, collected her MG3 from MG's flagship sales centre in Longbridge, Birmingham. "I work with a number of automotive manufacturers in the promotions industry and when I started looking for a new car, the MG3 was the only one that really jumped out at me. I love the colour options and the fact I can personalise it to look exactly the way I wanted. There are so many options; the hardest part about ordering the car was deciding which ones to choose!" Laura, aged 23 from Coventry has worked in automotive promotions for four years and is a regular on the BTCC circuit. Her MG3 is a 3STYLE in Orange Marmalade with optional Burst roof graphic, Black mirror caps, 16" Black Diamond alloy wheels and 'TECH' part leather interior.

Entry level 3TIME costs just £8,399 and features a CD player with MP3 compatibility, LED daytime running lights, hill hold control and a sporty VTi 106 PS petrol engine as standard. Next is 3FORM, available for £9,299 with 3TIME specification, plus Bluetooth and Audio streaming, DAB radio and Climate control. For those customers who prefer a sportier look the 3FORM SPORT is available for £9,549 and adds 16" "Carousel" Alloy Wheels and sporty Side skirts to its already impressive kit list. At the top of the range is the 3STYLE which takes things one step further with 16" "Diamond cut" Alloy wheels, reverse parking sensors, cruise control and automatic lights and windscreen wipers for only £9,999.

After choosing a desired specification, customers can 'go personal' with over one million personalisation possibilities, and discover their personal style by exploring the range of exterior and interior options. Paint options, roof and body graphics, coloured wheel and mirror caps can all be seen using the online configurator at www.mg.co.uk. The personalisation doesn't end there with customised warranty and servicing packages available. All options are attractively priced so customers can be confident that whatever package they choose is always within budget.

MG3 Finance plans are available to suit all budgets as all specifications are available on PCP for just £99 a month or with zero, 10, 20% or more deposits. Customers who do not have a deposit to put down can still benefit from fantastic value for money offers.

Ford awarded record wins in Sunday Times top 100

A HAT-trick of Ford models scooped 'best in class' honours in the Sunday Times' annual Top 100 review of Britain's best cars.

Ford's three category wins are unprecedented in the Sunday Times Top 100, and build on Ford's double success last year.

The Sunday Times and its Driving.co.uk website voted Ford Fiesta the best supermini, Ford Fiesta ST number one hot hatch and Ford S-MAX winner of its Multi-Purpose Vehicle category.

The Ford Fiesta, the UK's top-selling car, has already taken a dozen major UK awards this year. The Sunday Times said of the Fiesta in Titanium trim with its innovative turbo-powered 1.0-litre EcoBoost engine: "It's really very hard to say whether the car's greater appeal is its looks, or the fact that it is far and away the best car to drive among its rivals. No wonder that ever since it came out, the Fiesta has been Britain's best-selling car."

Its performance derivative, the Ford Fiesta ST, features a lowered chassis, more aggressive styling and turbo-powered, direct-injection 180PS 1.6-litre EcoBoost engine – a unique combination that takes Ford's famous dynamics to a new high.

"For people who live in the real world, where budgets are micro-managed and journeys are often long and boring, it's

possible this Ford could be the most significant hatchback of recent years," concluded the Sunday Times. "Fast, comfortable and frugal, it is the best of all worlds wrapped up in a car that costs less than any number of rivals."

The stylish Ford S-MAX has sold more than 6,000 units in the first nine months of this year, proving its unique character as the most sporty seven-seater available. The Sunday Times said: "The S-MAX is unique among cars of this type. Why? Because ever since it was launched in 2006 it has been both a first class people carrier and a genuinely rewarding car to drive

something that no other MPV has managed."

Ford's new small MPV, the B-MAX, also impressed, taking second place within a year of going on sale: "Just as the S-MAX calls the shots among large MPVs, so the B-MAX does at the other end of the category."

Mark Ovenden, Ford Britain chairman and managing director, said: "We are proud that Ford has earned so many Sunday Times Top 100 accolades, reflecting some of the many stars in our best-ever product range. The UK team and its dealers appreciate this huge endorsement from the Sunday Times."

Walker double lifts Beer Albion spirits

Devon & Exeter League Match report

AXMOUTH UTD 2 UNIVERSITY 0

Division Four
THE top two in Division 4 met at Bosshill and with Axmouth sporting a 100 per cent home record meeting a University side boasting a record of five wins in five games, of their own, so something had to give.

The students started well but the home side soon found their stride and dominated much of the half.

They took the lead when Daniel Reynolds fired home after a Matt Ellis' shot was blocked on the line.

Reynolds could have doubled the lead soon after when an Asa Sandman header glanced the bar and flashed to him at the far post but he just failed to get a clean touch as the ball went wide.

The previously free-scoring visitors were finding chances hard to come by as Axmouth defended well and took their single goal lead into the break.

After the restart a cross from David Goodhew was only half cleared and fell to Reece Hales to thunder home a half volley from outside the box.

Home keeper Bradley Cross was rarely threatened but pulled off a fine save when a stray pass left the Uni striker with a chance to pull one back.

It proved to be their last real opportunity as Axmouth stifled much of their threats and gained another home win.

"That's our best team performance this season", was Axmouth Manager Laurie Forino's comment afterwards, he continued: "The lads have worked their socks off - we knew they would be fit and fast - but we matched them all over the pitch, defensively we were fantastic all over the park."

"With their goal scoring record we knew we had to be strong, and to keep a clean sheet shows how well we worked."

"It's another good win and keeps us up there in contention with many more tough games expected."

"All the players were great but special mention for Joe Berry who was outstanding as Man-of-the-Match."

Round-up

BRADNINCH RESERVES, who are bottom of the entire Devon and Exeter League, stole the show when they held Division Eight leaders ALPHINGTON to a 3-3 draw.

It was a titanic effort from the Mid-Devon side whose Sam Sharpe, Will Huxtable and Rob Smith were their goalscorers. They also had a goal disallowed.

Meanwhile, Premier Division leaders NEWTOWN made short work of unbeaten EXETER UNIVERSITY 5-1.

Dale O'Donoghue with a

hat-trick, Carl Lavis and Ben Howard scored for Newtown. Lee Parker blazed four goals for second-placed ST MARTINS as they blew BUDLEIGH SALTERTON away 7-1.

Lloyd Gardner, James Wakley and Pete Eveleigh also scored with the Robins's sole reply coming from Brandon Perry.

FENITON took an age to overcome bottom-of-the-table CLYST VALLEY 3-1, but finally got through from Paul Dowling.

Ben Ede and Richard Austin added further goals and Valley deserved their reply from an Ed Williams free-kick.

BEER ALBION were 4-1 winners at HEAVITREE UNITED with manager Richard Walker scoring twice.

Chris Long and James Melville also scored for the fishermen.

TOPSHAM TOWN won just their second game this season 4-2 against SEATON TOWN despite goals from Martyn and Mark Hancock, and HATHERLEIGH TOWN are making strides to climb out of danger after they defeated CHARD TOWN 2-0.

Division One leaders ELMORE had to settle for a 1-0 win against HEAVITREE RESERVES.

SIDBURY UNITED crashed in eight without reply at neighbouring NEWTON POPPLEFORD, which keeps them ahead of WELLINGTON TOWN who were 2-0 winners at EAST BUDLEIGH.

TIPTON ST JOHN celebrated an excellent 3-1 win at BEACON KNIGHTS with Jodie Freeman (2) and Nick Feeney scoring, and CULLOMPTON RANGERS were happy with a 1-0 victory at BICKLEIGH Luke Abrahams getting the vital goal.

WITHERIDGE suffered a 5-2 defeat to the UNIVERSITY after leading 2-1 at the break. Tom Williams had both Wither goals.

HONITON TOWN maintained their hold on Division Three winning 6-3 at CLYST VALLEY, and they gained ground on EXWICK VILLA RESERVES who were held 2-2 at DOLPHIN.

Jimmy Lee-Shaw and Scott Partington scored for Dolphin who had a man sent off.

LYMPSTONE beat DAWLISH UNITED 2-1 in a gripping game, Andy Lowe getting a late winner for the Lympts whose first goal came from Mark Dunne.

OTTERY ST MARY enjoyed a rare 6-0 success in Division Three as they saw off EXMOUTH AMATEURS.

Richard Hudson and Tom Melia both scored twice.

The upset in this division was at NEWTOWN whose 100 per cent record was ended by CHULMLEIGH who went away 4-2 winners.

Unbeaten WESTEXE RESERVES crashed 4-2 at BOW RESERVES in Division Five, but OTTERTON kept their 100 per cent record in Division Six when a late winner from Ben Yeomans beat OTTERTON ST MARY RESERVES 4-3.

HENRYS CRONIES won the big game in Division Seven 7-2 at KENTISBEARE.

around and Tim Bough completed the scoring for the hosts.

Simon Loader netted the Saints' consolation.

Meanwhile, a Simon Lane goal couldn't save **Farway United** as they crashed out of the Division One cup beaten 5-1 at Forton Rangers.

Finally, Hawkchurch United's John Fowler cup ambitions ended at Chard United Reserves where they went down 5-3 with Ollie Bailhache (2) and Luke Harding netting the consolation.

netball honiton league

Only two survive

DIVISION ONE

THE weather caused the cancellation of the games at Honiton, with only two indoor games from Division 2 taking place. Next week is a break for half term.

DIVISION TWO

WITH just two games taking place it was an opportunity for Tip Top Trees to extend their lead at the top of the table when they recorded their second victory of the campaign over new comers Blackdown Ladies.

Although the Ladies came close to securing a point they finished on the wrong end of the 33-15 score line, missing a point by just two goals.

Once again it was Nicky Snell who was their Player-of-the-Game while Lydia Clapp was the 3Ts star.

The other game saw Otter Valley Dairy record their third win, this time against Pixies and jump up to third in the table.

Although Jess Watkins played well for Pixies they were out played by Otter Valley, for whom Charlotte Broom played well in their 29-12 win.

Scores round-up: Pixies 12 Otter Valley Dairy 29, Tip Top Trees 33 Blackdown Ladies 15.

Clist first past the post in Colyton Fiver

AXE VALLEY RUNNERS with Dave Mutter

THE **Colyton Fiver** and fun runs were once again a great success and through generous donations from the competitors as well as the cakes and refreshments £791.81 was raised for the BBC *Children In Need* appeal.

Matt Clist was the victor in the Fiver taking only 27:55 for the somewhat muddy multi-terrain route. In 2nd place was Simon Bayliss, 29:52 which pleased race organisers Phil and Vicky Bayliss no end.

Alex Todd was 3rd, 30:15 and a super run from Jon Day saw him finish 4th and 1st male over 40 in 31:29. Amy Greenhalgh was the first lady home, 9th overall in 33:03 and Graham Newton's fine run of form continued, he was 1st over 60, 11th overall in 34:26. Carol Austin was the 1st over 50 lady, 23rd overall in 37:55.

Other AVR results were: James Guler 6th, 32:17; John Blackledge 8th, 32:55; Ian Apps 10th, 00:34:08; Mark Nevell 15th, 34:55; Tony Wood 17th, 35:47; Robin Britton 18th, 36:08; Ian Clements 25th, 38:37; Margaret Pearce 28th, 39:37; Alan Morbey 31st, 39:50; Anna McLoughlin 33rd, 41:02; Andrew Sayers 35th, 41:28; Stephen Morbey 36th, 41:45; Tracey Anning-Beckett 39th, 42:41; Steven Lewis 40th, 42:48; Dave Mutter 45th, 43:42; Margaret Todd 46th, 43:45; Chris Hill 47th, 43:57; Birthday Boy Rick Wood 50th, 44:22; Carolyn Selley 55th, 47:20; Lesley Adams 56th, 47:34; Lisa Gregory 67th, 53:46; and Liz Thomas 70th, 04:30.

Alfie Devine-Wright was the victor in the 2.5 mile Junior run in a remarkable 15:32 with Ben Franklin 2nd, 16:45, William Blackledge 3rd, 17:45 and Ethan Day 4th, 18:03.

May Wood had a brilliant run finishing 1st girl, 5th overall in 18:06. Matt Thurgood was 8th, 19:45 and Caleb Sinclair 13th, 22:09.

Most who entered this race were juniors, but well done to Jean Love and Josie Harries on their magnificent achievement.

Many AVR's were also involved with the organisation acting as marshals, timekeepers, backmarkers and selling teas and cakes, so many thanks to them all and to the landown-

ers for letting the course run over their private fields.

Other results will be on the AVR website very soon.

Richard Hale attended the inaugural **Watlington Skyline** on Sunday. It's a self-navigating, multi terrain 10-mile race that climbs up into the Beech forests of the Chiltern Hills in Oxfordshire.

It uses steep leafy tracks, grassy fields, muddy paths and trails on a circular route. Runners were issued with a route map as the race was only partially marked and marshalled at key junctions.

Richard was well pleased with his time of 1:25 which put him in 17th place and importantly, all finishers were rewarded with a free pint at the local Fat Fox pub!

Years ago, Garry Perratt used to regularly do two-day mountain marathons, not actually a marathon but various distance in the hills depending upon the class you enter.

These are run in pairs for safety, and carrying everything you need to be self-sufficient for a weekend out, including tent, sleeping bag, food, etc.

Garry was coerced out of retirement by his son and the pair ran the **Original Mountain Marathon** at the weekend, electing to do the short score class where they had five hours on Saturday than four hours on Sunday to visit as many of the designated check points as they could.

They were leading after Day 1, despite finishing 40 mins earlier than they needed to, but fluffed up Day 2 big-time, finishing 6th and securing 3rd overall by only 10 points (the lowest value of any checkpoint), as well as first family, out of 117 teams.

Robin Carter, a mountain marathon regular, ran the medium score (6+4 hours) with a friend and was 87th out of 203 pairs, the low placing due partly to the bad weather on some of the tops causing them to cut short their second day.

Liam Roberts enjoyed his first Elite start in the **Great Birmingham Run** but with a hilly course and windy conditions to contend with it quickly became a matter of racing for position rather than time.

Marchant rides his luck to clinch victory

AXE CLIFF with Janet Dack

SENIORS

THE second round of the Seniors' Winter League Programme took place recently.

The conditions favoured the early starters as the anticipated strong breeze got up mid-morning making conditions trickier for the later starters.

No surprise that the eventual winners on the day Chris Walker & Bob Berry, with an excellent 36 points, came from early starters.

Two teams came in with 34 points and second place on countback went to Alan Vincent & Gilbert Cox with

Chris Jowett & Jack Bannister having to settle for third place.

There were two 2s, from Chris Walker and Terry Jessup.

MAIN CLUB

THE Main Club played for the Handicap last Sunday.

The winner, with a nett 68, was Mike Cottam beating Stuart Mackie also with a nett 68 on the back nine. Third place was taken by Anthony Hellier with a nett 69.

There were three twos all scored on the 11th hole by Richard Gibbons, Alex Palmer and Dave Morgan.

HONITON with Andy Wagner

MONTHLY STABLEFORD

IT was, as had been forecast, cold, wet, miserable, dark and no day to be out playing golf - at least it wasn't a dreaded medal round.

Surprisingly, quite a large field turned out for their weekly fix, a last game before the Winter Leagues started in earnest.

Out of the pack a few had an exceptional day. Others were just exceptionally lucky as John Marchant can testify.

He was having a solid round until he lined up to drive on the par 3 seventh. His strong pushed shot flew straight at

the old Christmas tree on the right (the one we all dread going into).

But miraculously it struck solidly and bounced back into play in the middle of the fairway.

Not content with that bit of good fortune he followed it up with a 60-yard chip that landed squarely in the hole for a two - and 4pts!

The man has no shame as he proceeded to win the Division One section with 38pts ahead of Richard Beard 37pts and Jim Wallis 35pts.

Division Two saw Allan Piper record a similar 38pts ahead of Mike Watts 37pts and Richard Townsend 36pts.

Dunkeswell bowlers round off 18th season

DUNKESWELL Outdoor Bowls Club held a well-attended end of season presentation lunch at the Deer Park Hotel writes *Bridget Hallows*.

This was the club's 18th pres-

entation, the first one having taken place in 1996.

Awards were made by Richard Morris, Club Chairman assisted by Andy Smith, tournaments organiser who valiantly tried to

keep the competitions going during the Summer Months!

Winners this year were as follows; Mixed 3 Wood Shield - Winner Brab Hallows, runner up, Ian Wedderell. Joyce Benfield Ladies 4 Wood Trophy - Winner Phyllis Milner, runner up Di Eames. Tony Brehait Trophy, 4 Wood Mixed Handicap - Winner Brab Hallows, runner up Pearl Hackwood. This final took place in rather inclement weather and finished after 27 ends and three and a half hours!

Westwood 2 Wood Cup, Mixed - Winner Mick Stokes, runner up Josie Williams, after a very close game, the final score being 13-11.

4 Wood Mixed Pairs Cup - Winners Linda Vince & Brab Hallows, runners up Bridget Hallows & Andy Smith.

4 Wood Club Championship

Shield - Winner Mick Stokes, runner up Tom Williams.

Thanks to Di Eames for organising the event and for all her hard work throughout the year as Club Secretary, Andy Smith,

Mick Stokes, Tom Williams, for their work throughout the season in maintaining the grounds and green.

Also to Match Secretary Linda Vince and all the committee.

■ WINNERS: Brab Hallows, Linda Vince, Mick Stokes

■ WINNERS: Andy Smith, Josie Williams, Bridget Hallows, Di Eames, and Tom Williams.

Gaffer salvages a point

A SCORCHING free-kick from player-manager Gary Macauley eight minutes from time earned **Axminster Town** a useful South-west Peninsula League division One (east) point against Totnes & Dartington at Colyton Grammar School on Saturday.

In a game of few chances the visitors took the lead in the 20th minute. Ax went close to equalising before the break when Ben Turner headed against the post from a Jon Hurford corner.

But with time running out a foul on striker Adam Downes allowed Macauley to step up and drive his free-kick into the top-corner from 25 yards.

The Tigers have no fixture on Saturday which will allow Gary Knight (hamstring), Leigh Beer (ankle) and Stuart Broom (groin) to recover from injuries.

Macauley confirmed to *View Sport* that his squad has also been boosted by the return of Terry Emmett after a spell with Millwey Rise.

Axminster Town Reserves' scheduled Devon & Exeter League division three game at Tedburn St Mary was postponed. The two teams will try again in the reverse fixture at Forton at the weekend.

Up in the premier division **Seaton Town** slipped to ninth in the table after a 4-2 defeat

at Topsham Town.

Seaton led at half-time through Martyn Hancock. But by the time Mark Hancock added a second they were 4-1 down.

Manager Keith Somers will look for his team to bounce back on Saturday when they welcome next-to-bottom Clyst Valley.

Meanwhile **Seaton Reserves** are still chasing their first division five win of the season after a 3-1 home defeat at the hands of Amory Park Rangers.

The Greens' second-string turn their attention next to the Devon Intermediate cup and a third round tie at Uplowman Athletic.

It was a good weekend for **Beer Albion** who climbed up two places in the Premier division table after a 4-1 win at still pointless Heavitree United.

Beer can look forward to a Devon Premier cup last 32 tie up at their Furzrbrake HQ against Willand Rovers on Saturday.

But the Fishermen's Reserves remain rooted to the foot of division five following a narrow 3-2 home defeat by Langdon.

Up in division two **Colyton** slipped a place

to 12th after 2-1 reverse at Crediton United Reserves.

Over at Boss Hill Cross goals from Dan Reynolds and Reece Hales saw **Axmouth United** maintain their six-point lead at the top of division four.

Next up for the high-flying Hammers is Saturday's visit by sixth placed Thorverton Reserves.

Over in the Perry Street League Levi Hoole's 11th and 12th goals of the season helped **Millwey Rise** book a Coronation cup semi-final against Beaminster.

Pete Knox and Tim Bough also scored for Rise in a 4-1 quarter-final win over visiting Combe Reserves.

Millwey switch their thoughts to defending their Devon Intermediate cup title at the weekend when they entertain Starcross Generals in a third round tie.

Elsewhere, goals from Ollie Bailhache (2) and Luke Harding failed to save **Hawkechurch United** as they crashed out of the John Fowler cup beaten 5-2 at Chard United Reserves.

The Hawks welcome Lyme Regis Bantams in a division three clash at the weekend. In the same division Millwey Reserves return to action with a trip to Jocelyn Park to take on Chard United Reserves.
